Today, I'm grateful for this about myself:

With a feeling of openness, relaxation and fun, I choose to take these 5 actions to align with more productivity and prosperity today. I trust the Universe as I focus on my *next steps*. (See how each feels in your body before you write it down.)

Worries weigh me down and lower my vibration, so I'm turning these over to the Divine:

\_\_\_\_\_ Universe, I know that you love me and shower me with blessings, so I'm leaving these things with you. Thank you for taking care of them. I gratefully receive all your gifts, abundance and blessings.

Dreaming expands me! Here's a brief, fun description of a possibility for my business / life from the future (in present tense).

I am enough, just as I am. I am worthy. I am whole and complete. I am deserving. I am expanding. I am bold. I am systematic. I am focused. I am clear. I am dedicated. I am action. I am spontaneous. I am grounded. I am present. I am authentic. I am confident. I am wise. I am powerful. I am grace. I am wealth. I am abundance. I am joy. I am love.

## Aligning with Action - evening

I'm celebrating having taken these actions today toward my own productivity, prosperity and transformation! Yay, ME!

\_\_\_\_\_ Thank you for loving me and for taking care of this.

I'm fully aligned with abundance, Life and my true self! I love that simply focusing on my *next steps* helps me get big things done. I love that I'm safe, abundant and enough, just as I am. I love that expressing myself and connecting with clients is easier and more fun than I ever imagined! Everything is already working out for my highest good, greatest joy and greatest prosperity. I'm excited to see how that happens and I'm open to all the magic and miracles available to me. I am deeply grateful for all of this.

***I am abundance. I am wealth. I am joy.  
I am love and I am loved.***
